

OFFICERS SHOULD INSPECT THE FOLLOWING CARD FEATURES TO DETERMINE AUTHENTICITY:

City of Boston, MA - Card Description

Front

Program Region – Indicates the jurisdiction of issue

Access Level –ensure card corresponds to announced level of activation (Access Level B or C)

Photo – ensures identity of the cardholder

Industry Affiliation – Indicates business sector affiliation

Organization Name - Shows name of employer

Expiration Date – ensures validity of card

Cardholders Name - can be held against a second form of ID if necessary

Security Features-

- **Holographic laminate** (not shown) embedded with the “CEAS” logo across the card
- **Micro text lettering and design pattern** in the cardholders name panel with the “CEAS” logo

Access Address – ensure location is within the restricted area being accessed.

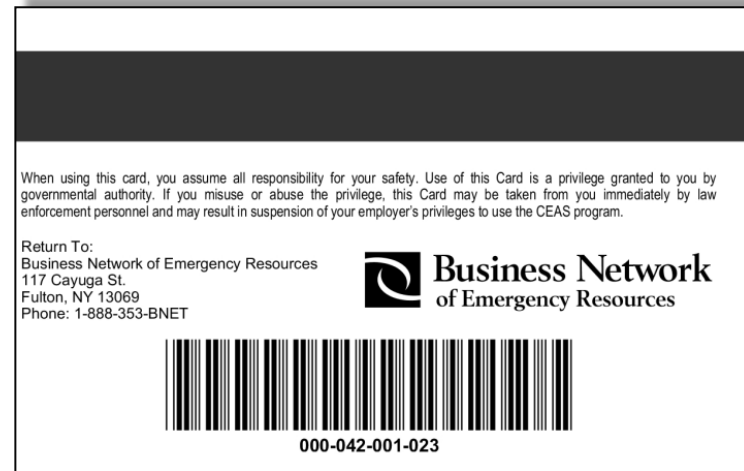

City Seal – Should be consistent with the program region name at the top of the card

CEAS logo, Identifier and Bar Code – This identification number/bar code if checked electronically will authenticate the validity of the card

Flex Card

Have no photograph but are assigned to a specific company. The Flex Card **MUST** be accompanied by another form of government issued photo identification and/or proof of employment by the Organization listed on the face of the Card.

Card Back

The back of all CEAS cards contain a disclaimer, the BNET logo, magnetic stripe, bar code and return address. The serial number at the bottom of the card should be the same as the CEAS identifier on the front
