

# OFFICERS SHOULD VISUALLY INSPECT THE FOLLOWING CARD FEATURES TO DETERMINE AUTHENTICITY:

CEAS Standard Card

**Access Level** – ensure card corresponds to announced level of activation

• **Level C** – Critical Infrastructure Industries

• **Level B** – All other non-Critical Businesses

**Affiliation** – Indicates Industry Type

**Organization Name:** Indicates company of employment

**Photo** – Indicates identity of the cardholder

**Expiration Date** – ensures validity of card

**Cardholders Name:** - can be held against a second form of ID if necessary

**Access Address** – identifies the location of the cardholders place of work they are permitted to access.

• **All Area Access** – Indicates that the cardholder's entry is NOT limited by the Authorized Access Address

• **Multi-Facility Access** – Indicated the Cardholder is authorized to access more than one facility. Additional Facilities can be verified through BNET if necessary.

**Security Features**- The face of the card is sealed in a holographic laminate with the "CEAS" logo (not shown) across the card. The hologram can be seen when the card is tilted to the light. The card also features a fine background design pattern and micro text lettering in the cardholders name panel with the word "CEAS". Other features include the Erie County seal on the face of the card. **Buffalo CEAS Cards will have the City of Buffalo Seal on the Front.**

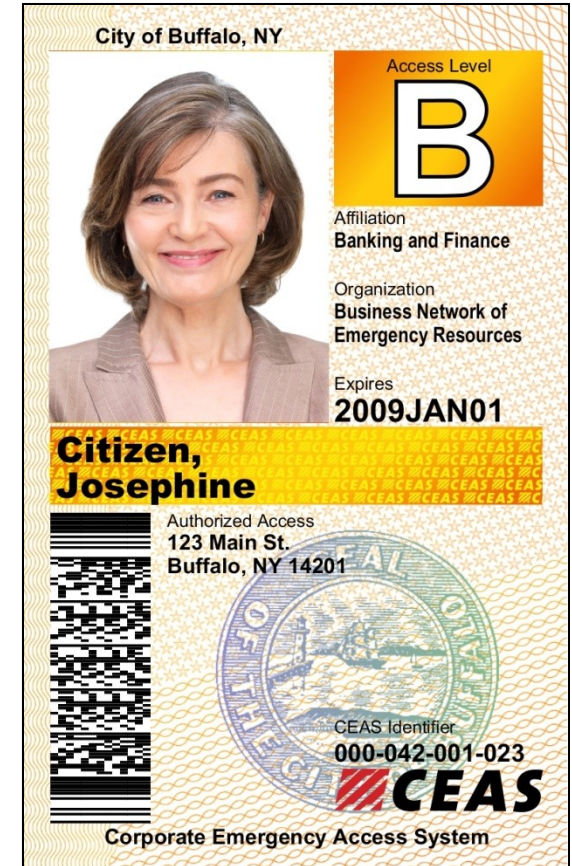

## CEAS Flex Card

## CEAS NYS Insurance Adjuster Card

## City of Buffalo CEAS Card

**Flex Cards** have no photograph and are intended to provide additional flexibility by allowing issuance to any employee based on situational discretion. The Flex Card **MUST** be accompanied by another form of government issued photo identification and/or proof of employment by the Organization listed on the face of the Card.

**The NYS Insurance Adjuster Card** is issued to insurance companies vetted by the NYS Insurance Department and are issued to adjusters at the time of an event. Since adjusters are often brought in from out of State and assigned at the time of the event the Card has a Flex Card designation and All Area Access based on access location uncertainty. Cards may display a City of New York

**City of Buffalo CEAS Card:** The City of Buffalo also participates in the CEAS program. Buffalo cardholders may pass through Erie County during a CEAS activation. These cards should be honored for travel through to Buffalo. Buffalo participants have the same series of CEAS cards including Flex cards, Multi-Facility Cards and All Area Access Cards
