

Nassau County, NY - Card Description

Front

OFFICERS SHOULD INSPECT THE FOLLOWING CARD FEATURES TO DETERMINE AUTHENTICITY:

Program Region – Indicates the jurisdiction of issue

Access Level – ensure card corresponds to announced level of activation (Access Level B or C)

Photo – ensures identity of the cardholder

Industry Affiliation – Indicates business sector affiliation

Organization Name - Shows name of employer

Expiration Date – ensures validity of card

Cardholders Name - can be held against a second form of ID if necessary

Security Features-

- **Holographic laminate** (not shown) embedded with the “CEAS” logo across the card
- **Micro text lettering and design pattern** in the cardholders name panel with the “CEAS” logo

Access Address – ensure location is within the restricted area being accessed.

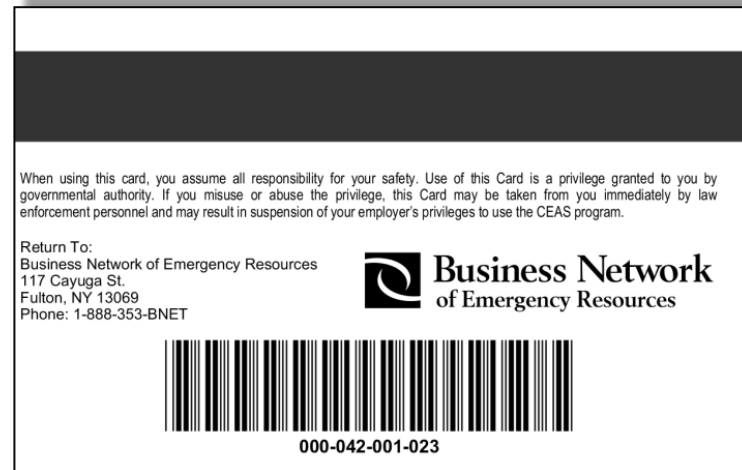

City Seal – Should be consistent with the program region name at the top of the card

CEAS logo, Identifier and Bar Code – This identification number/bar code if checked electronically will authenticate the validity of the card

NYS Insurance Adjuster

In cooperation with the NYS Insurance Department a limited amount of Insurance Adjuster CEAS cards have been issued to companies that insure property in New York State. These cards are generic in nature and must be accompanied by identification from the employer listed in the "Organization" field on the card.

Card Back

The back of all CEAS cards contain a disclaimer, the BNET logo, magnetic stripe, bar code and return address. The serial number at the bottom of the card should be the same as the CEAS identifier on the front
