<u>Cardholders Name</u> - can be held against a second form of ID if necessary

Security Features-

•Holographic laminate (not shown) embedded with the "CEAS" logo across the card

•Micro text lettering and design pattern in the cardholders name panel with the "CEAS" logo

<u>Access Address</u> – ensure location is within the restricted area being accessed.

<u>**City Seal**</u> – Should be consistent with the program region name at the top of the card

<u>CEAS logo, Indentifier and Bar Code</u> – This identification number/bar code if checked electronically will authenticate the validity of the card

Front

Corporate Emergency Access System

NYS Insurance Adjuster

In cooperation with NYS the Insurance Department a limited amount of Insurance Adjuster CEAS cards have been issued to companies that insure property in New York State. These cards are generic in nature and must be accompanied by identification from employer listed the the in "Organization" field on the card.

Multi-Facility Card

Indicates the Cardholder is authorized to access more than one facility. The card will display the primary company address. Additional facility addresses can be verified through BNET if necessary.

Card Back

The back of all CEAS cards contain a disclaimer, the BNET logo, magnetic stripe, bar code and return address. The serial number at the bottom of the card should be the same as the CEAS identifier on the front

All Area Access Card

Indicates that the cardholder's entry is NOT address restrictive.
